

# Citrus

## BASED CLEANER

## Useful Applications

### Windows:

- ✓ 1/2 teaspoon of concentrate into your spray bottle and fill with water. Spray and wipe off with either a dry cloth or newspaper.

### Shower Doors:

- ✓ 1:10 dilution. For best results spray on the doors and walls and use a scratchless pad to remove soap build-up and rinse off.

### Stain removal on fabrics:

- ✓ 1:20 dilution. Great for removing food stains, grass stains and grease. Spray on the area, lightly agitate with spray bottle nozzle and put in your washing machine.

### Mould & Mildew:

- ✓ 1:20 dilution. Spray on the area and wipe off with a dry cloth. Also cleans the inside doors of fireplaces. Spray on and wipe off with newspaper.

### Aphids on Roses:

- ✓ 1/2 teaspoon (same as window mix) dilution and fill spray bottle with water. Spray on the plants. Also useful for killing ants - spray 1:20 dilution on the nest.

### Carpet Stains:

- ✓ 1:20 dilution (general purpose). Spray on the stain (DO NOT saturate the area). Apply a dry rag and apply pressure. You may have to do this a couple of times if there has been a lot of liquid spilt. Great for the little accidents pets may make on your carpet.

### Vehicles:

- ✓ Put a capful of concentrate into a bucket and fill with water. Wash on with either a cloth or brush and then wash off. Great for the removal of brake dust from alloys and bugs from your windscreen and headlights. For best results dry off with a dry towel or chamois.
